COMMISSIONERS' REPORT

In accordance with the Public Statutes of the State of New Hampshire the Commissioners of Carroll County submit their annual report together with the report of the Superintendent of the County Farm and of the various other County Officers.

Carroll County experienced quite a financial set back during the year 1949, because of the Jennings murder trial. Not since 1916 has there been similar publicity here, when the town of Ossipee was the scene of the famous Small murder. That was definitely a Carroll County episode, but there is no evidence that the more recent tragedy even took place in Carroll County. However, with the findings as they were, our County was saddled with the expense, of the trial, and as is usually the case, it cost much more than was anticipated. \$10,000.00 was appropriated for the trial but it was necessary to call the Delegation together in December, when more money was made available. The approximate cost of the trial was \$20,000.00.

By the large the Commissioners were able to stay somewhere near their budget limitations. Old Age Assistance, Soldiers' Aid and Aid for Dependent Children expenses all cost more than anticipated, but Direct Aid was well below the appropriation. The County Home too squeaked under the wire, even though everything connected with the Institution costs more than formerly.

Our new photostatic equipment has done good service, under the capable operation of Register of Probate Walter White. There is much less work for the machine now, than during the real estate rush, and it

is doubtful if amortization will ever take place as planned on, but there is no question but what Carroll County has an up-to-date method of recording its instruments. Mrs. Katherine Carter long the trusted Register of Deeds resigned during the year because of ill health, and Lee T. Gray of Wolfeboro was appointed by the Court, to fill out her unexpired term.

An audit by State Officers, which is now required by law, took place in May and County accounts were found in proper shape. It was gratifying to the Commissioners that very few changes in method were suggested. (A report of the audit is appended.)

Several projects have been in operation at the Home during the year. All buildings are now painted white, and the roofs have also received treatment. The farm herd of cattle is entirely Holstein now, with nine pure bred animals, and practically all the rest vaccinated creatures. Egwanulti Avelon Day is still head of the herd. Superintendent Severance is extremely happy to report that there were no Brucellosis reactors during the entire year.

A program of supervised forestry has been carried out under the supervision of Theodore F. Breon, County Forester. Some twelve thousand feet of lumber from selected trees was taken out sawed into necessary dimension stock for use about the place, and 75 cords of wood were also cleaned from among the remaining stand of trees. Another job which helped to use up extra time of the House of Correction men during the fall and early winter, was the reclaiming of some three acres of sprout and small-growth land. This was done under the soil conservation program, and not only adds to needed pasture land, but greatly improves the appearance of the farm. An outstanding accomplishment in the buildings of the plant, was the renovation of a part of the kitchen.

All in all 1949 was not too bad a year, even in these trying times. Had it not been for the court proceedings, the year would have ended with a balance, even if it was small. This foreword cannot close without the annual appeal to the citizens of Carroll County to visit THEIR County Home. It is doubtful if twenty-five people, other than Delegation members, and folks connected with the Institution inspected the place during the entire year of 1949.

Respectfully submitted,

PERCY F. GARLAND,
EDWIN B. EDGERLY,
E. FORREST LEAVITT,

Commissioners of
Carroll County.

REPORT OF COUNTY PHYSICIAN

During the year 1949, there were two deaths and no births at the County Home.

There were no epidemics or accidents of serious nature. There was no incidence of contagious disease.

Treatment consisted mainly in the case of those affected with degenerative diseases of old age. A few of the more acutely ill and operative cases were referred to our general hospitals due to lack of adequate nursing personnel.

In spite of the lack of general help, the County Hospital as well as the entire home is in excellent condition. The Superintendent and Matron have done an excellent job and they are to be commended for the manner in which they have kept up the morale of the entire home.

Respectfully submitted,

FRANCIS J. C. DUBE, M. D.

All orders issued by the Commissioners and Clerk of the Superior Court during the periods under review were examined and compared with corresponding entries in the Treasurer's records. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY HOME

The accounts and records of the Superintendent of the County Home were examined. Receipts were checked by source through the triplicate receipt forms. All receipts, as recorded in the cash book, were properly accounted for by the Superintendent through remittances to the County Treasurer.

Classified summaries of receipts and expenditures of the County Home for the years 1947 and 1948 are presented in Exhibits H and R, respectively.

DISEASED CATTLE ACCOUNT

A special fund account which includes the receipts from the sale of diseased cattle and expenditures for the purchase of cattle is maintained by the Superintendent of the Home. In conformance with Section 31, Chapter 211, of the Laws of 1939, a copy of this report or a summary of its essential features should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of exhibits is optional.

The appreciation and thanks of the members of this Division is hereby expressed to the officials of

Carroll County for the assistance rendered during the course of the audit.

Yours very truly,

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Carroll County Commissioners, Treasurer, Clerk of the Superior Court and Superintendent of the County Home for the fiscal years ended December 31, 1947 and December 31, 1948. It is our opinion that the Exhibits presented herewith, subject to comments set forth in the letter of transmittal which is part of this report, fairly present the financial condition of the County as to its assets, liabilities, surplus and the results of operations for the periods under review.

Respectfully submitted,

HAROLD G. FOWLER,

Director.
